gland infections.

Benefits

High concentrations of Vitamin A and C Ester in combination with Alpha Hydroxy Acids and Tea Tree oil have a profound effect to decongest, reduce infection and control sebum production

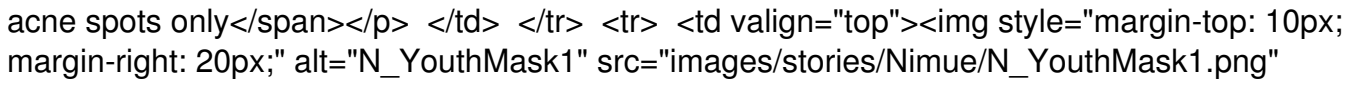

Who would use it

Problematic skin (acne prone and active acne)

How to use it

am and pm.

Used after Youth Facial Wash on a clean dry skin. Nimue Active Blemish Control should be used on individual acne spots only

Purifying Youth Mask

60ml

A clay based mask that offers the beneficial antiseptic, soothing and healing properties of Tea Tree and Chamomile oil.

Benefits

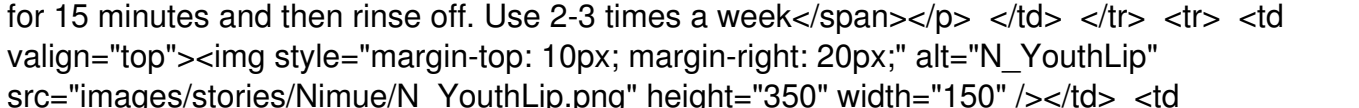

Kaolin absorbs the excess oil and impurities from the skin imparting a clear skin. Tea Tree promotes rapid acne improvement and controls infection. Antioxidants preserve youth skin.

Who would use it

Problematic skin

How to use it

Apply to clean dry skin after Youth Facial Wash. Leave on skin for 15 minutes and then rinse off. Use 2-3 times a week

Youth Lip Care

5g

This lightly textured lip therapy with sunscreens and Vitamin E Ester for gentle, yet effective care and protection on the thin skin of the lips.

Benefits

Daily use will minimise the visual signs of sun damage. Moisturises and softens the lip area reinforcing optimum skin function

Who would use it

All skin classifications

How to use it

Apply a small amount in the morning and evening to the lips or as needed. Reapply after exercise, water or during sporting activities
